

Bravado - Stock Henry LARGE FRAME Grey Laminate

Unlike their bolt-action rifle stocks, the WOOX Bravado brings WOOX's signature American Walnut and aluminum hybrid design to modern tactical platforms (specifically AR-15 / AR-10 and Lever Action rifle setups depending on the selected variant).

Hybrid Construction: Machined hard-anodized aluminum inner core clad with genuine American Walnut outer grip panels.

Accessory Support: Integrated M-LOK slots along the sides and bottom for mounting lights, grips, bipods, or sling mounts without damaging the wood.

Ergonomics: Designed for a secure, comfortable grip that insulates against barrel heat while delivering a high-end custom aesthetic.

Compatibility: Offered in multiple lengths and platform-specific fitments (standard AR-15 / AR-10 barrel nut configurations as well as lever-action fore-end mounts).
