

Rifle Accessories - WOOX M-LOK & KeyMod Rail Covers (Set of 3) Rifle accessory Rail Panels Tiger Wood - 3 piece

The WOOX Rail Covers are a premium, high-performance upgrade designed for M-LOK™ and KeyMod™ rail systems. Combining Italian design craftsmanship with rugged American utility, these rail covers enhance your shooting experience by providing superior heat protection, torque strength, and a comfortable, secure grip—all while giving your firearm a distinctive, sophisticated look.

Key Features

Rugged and Refined Materials: Available in authentic American Walnut or ultra-durable solid Micarta®, bringing a perfect blend of modern functionality and timeless craftsmanship to your setup.

Precision Engineering: Built with custom-made brass bushings to deliver maximum torque strength and a solid, wobble-free lock onto your rail.

Enhanced Grip and Heat Protection: The custom textured finish increases tactile control and isolates your hand from barrel heat during extended shooting sessions.

Universal Compatibility: Fits all M-LOK™ and KeyMod™ handguards across multiple firearm platforms, including AR-15/AR-10, bolt-action chassis, lever-action rifles, AK platforms, and pump shotguns.

Ultra-Lightweight Profile: Adds minimal weight and bulk to your setup without compromising strength or durability.

Easy Installation: Includes all necessary mounting hardware for a quick, hassle-free installation (takes less than 2 minutes).

WOOX Rifle Accessories Safety Instruction Guide

Introduction

Thank you for choosing the WOOX MLOK & KeyMod Rail Covers. These premium rail covers are designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure that all firearm accessories are compatible with your firearm before installation.
- Always handle firearms and accessories with care to prevent accidents.
- Keep rail covers and all firearm accessories out of reach of children and unauthorized users.
- Regularly inspect your rail covers for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Heat Protection:** The rail covers are designed to provide heat protection. Do not touch the rail covers immediately after extended shooting sessions, as they may become hot.
- **Grip and Control:** Ensure a firm grip on your firearm when using the rail covers to prevent slippage.
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to accidents.
- **Compatibility:** Only use the rail covers with compatible MLOK™ and KeyMod™ systems to ensure safety and functionality.
- **Vulnerable Groups:** Keep rail covers away from children and ensure that they are used only under adult supervision.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and the provided mounting hardware.
- Ensure the firearm is unloaded and safe to handle.

2. Installation:

- Align the rail cover with the desired position on the MLOK™ or KeyMod™ rail.
- Insert the custommade brass bushings into the rail cover.
- Secure the rail cover in place using the included mounting hardware, ensuring a tight fit.
- Check for stability and that there is no wobble.

3. Usage:

- Once installed, ensure that the rail covers are secure before using the firearm.
- Maintain a proper grip on the firearm while shooting to maximize control and safety.
- Avoid placing your hand directly on the barrel or the rail covers immediately after shooting to prevent burns.

Disposal Instructions

- Dispose of any damaged or worn rail covers in accordance with local waste disposal regulations.
- Do not burn the rail covers, as they may release harmful substances.

- If applicable, recycle materials as per local recycling guidelines.
