WOOX MLOK Rail Covers Safety Instruction Guide

Introduction

Thank you for choosing the WOOX MLOK™ Rail Covers. These rail covers are designed to enhance your rifle setup while ensuring safety during use. This guide provides important safety instructions, installation guidelines, and information on how to dispose of the product responsibly.

General Safety Guidelines

- Always read and follow all safety instructions provided with the product.
- Ensure that the rail covers are compatible with your specific firearm model before installation.
- Regularly inspect the rail covers for wear or damage. Replace them if they show signs of deterioration.
- Store the rail covers in a cool, dry place when not in use to prevent damage from environmental factors.
- Keep the rail covers out of reach of children and pets to prevent accidental injury.

Specific Safety Precautions for Use

- **Heat Protection:** The WOOX MLOK Rail Covers are designed to protect your hands from barrel heat. However, avoid direct contact with hot surfaces during or immediately after firing.
- **Secure Mounting:** Ensure that the rail covers are securely mounted to prevent them from loosening during use. Use the custommade brass bushings provided for optimal torque strength.
- **Tactile Control:** The textured grip is designed for better control. However, always maintain a firm grip while handling your firearm to ensure safety.
- **Compatibility Checks:** Verify that the rail covers are installed correctly on all MLOK™ and KeyMod™ handguards. Incompatible installations may lead to malfunctions.

Instructions for Installation and Usage

1. **Preparation:** Gather all necessary tools and ensure your firearm is unloaded and safe to handle.
2. **Installation:**
 - Align the WOOX MLOK Rail Cover with the desired position on your handguard.
 - Insert the provided brass bushings into the mounting slots of the rail cover.
 - Secure the rail cover by tightening the screws until snug. Do not overtighten, as this may damage the rail cover or the firearm.
3. **Usage:**
 - Once installed, ensure that the rail cover is firmly in place before use.
 - During firing, regularly check the rail covers for any signs of loosening or damage.
 - After use, clean the rail covers with a damp cloth to remove dirt and debris. Avoid using harsh chemicals.

Disposal Instructions

- Dispose of the WOOX MLOK Rail Covers in accordance with local regulations for nonhazardous materials.
- If the rail covers are damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the product in regular household waste if local regulations specify otherwise.
