WOOX Rifle Accessories Spacers Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Rifle Accessories Spacers. This guide provides important safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before using the spacers.

General Safety Guidelines

- Always use the spacers in accordance with the manufacturer's instructions.
- Inspect the spacers regularly for any signs of wear or damage.
- Ensure that all components are securely attached before use.
- Do not exceed the recommended number of spacers for your specific rifle stock or chassis system.
- Keep the spacers out of reach of children and vulnerable individuals.
- In case of any malfunction or if the spacers appear to be damaged, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Ensure that the spacers are compatible with your WOOX modular stock platform before installation.
- Be cautious when adjusting the length of pull (LOP) to avoid pinching or injury.
- Do not use the spacers as a substitute for proper firearm training or safety practices.
- Always handle firearms with care and ensure they are unloaded when making adjustments.
- Follow all local laws and regulations regarding firearm accessories.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation, if required.

2. Removing Existing Components:

- If applicable, carefully remove the recoil pad from the stock.
- Take note of the existing configuration before making changes.

3. Adding or Removing Spacers:

- To increase the length of pull, add spacers between the stock body and the recoil pad.
- To decrease the length of pull, remove spacers as necessary.
- Ensure that the spacers fit snugly and are properly aligned.

4. Reattaching Components:

- Reattach the recoil pad securely to the stock.
- Doublecheck that all components are tightly fastened.

5. Final Inspection:

- Inspect the installation to ensure that there are no loose parts.
- Test the adjustment by shouldering the rifle to confirm comfort and fit.

Usage

- Always ensure that your rifle is in a safe condition before making any adjustments.
- Familiarize yourself with the new length of pull before using the rifle in the field.
- Practice safe firearm handling at all times.

Disposal Instructions

- Dispose of any damaged or worn spacers in accordance with local regulations.
- Do not dispose of spacers in regular household waste if they contain hazardous materials.
- Consider recycling options if applicable.

Contact Information for Further Support

For any inquiries or additional support regarding the WOOX Rifle Accessories Spacers, please consult the manufacturer's website or your retailer for assistance.

Thank you for prioritizing safety while using WOOX Rifle Accessories Spacers. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
