

Rifle Accessories - Hawkins M5 Detachable Bottom Metal Rifle M5 Remington 700 DBM SA Aluminum

Function: Converts a rifle's floorplate configuration to accept detachable AICS-style magazines for faster reloading and improved feeding reliability.

Footprint: Cut to standard M5 inlet dimensions, making it directly compatible with stocks and chassis setups inletted for M5 bottom metal (including relevant WOOX precision stocks).

Construction: CNC-machined from heavy-duty aircraft-grade aluminum, offering high rigidity without adding unnecessary weight.

Magazine Release: Features an ergonomic, low-profile lever inside or adjacent to the trigger guard to prevent accidental magazine snags while maintaining easy ambidextrous operation.

Compatibility: Typically designed for Remington 700 footprint actions (short or long action depending on the chosen variant) using standard AICS pattern magazines.

Introduction

Thank you for choosing the WOOX Hawkins M5 Detachable Bottom Metal. This product is designed to enhance your rifle's functionality by allowing the use of detachable AICSstyle magazines. To ensure your safety and the optimal performance of your product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms responsibly and in accordance with local laws and regulations.
- Ensure that the rifle is unloaded before installing or making any adjustments to the bottom metal.
- Use only compatible AICSstyle magazines as specified in the product description.
- Regularly inspect the bottom metal for signs of wear or damage before use.
- Keep the product out of reach of children and unauthorized users.
- In case of an accident or malfunction, seek professional assistance immediately.

Specific Safety Precautions for Use

- Ensure that the magazine release lever is functioning properly before use.
- Do not attempt to modify the product in any way that may compromise its safety or performance.
- Avoid using excessive force when inserting or removing magazines to prevent damage.
- Always ensure that your rifle is pointed in a safe direction when loading or unloading.
- Be aware of your surroundings and ensure that no one is in the line of fire when operating the rifle.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the rifle is unloaded and in a safe environment.
2. **Remove Existing Bottom Metal:** Carefully detach the existing bottom metal from the rifle according to the manufacturer's instructions.
3. **Align the M5 Bottom Metal:** Position the WOOX M5 bottom metal in the rifle's inlet, ensuring it aligns with the standard M5 dimensions.
4. **Secure the Bottom Metal:** Use the appropriate screws to fasten the bottom metal securely to the rifle. Do not overtighten.
5. **Check Compatibility:** Verify that the bottom metal is properly in place and compatible with your chosen AICSstyle magazines.

Usage

1. **Loading:** Insert the AICSstyle magazine into the bottom metal until it clicks into place.
2. **Magazine Release:** To remove the magazine, press the ergonomic magazine release lever located inside or adjacent to the trigger guard.
3. **Safety Check:** Always perform a safety check to ensure the rifle is ready for use and that the magazine is securely in place.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.

- If the product becomes damaged beyond repair, dispose of it responsibly as per local waste management guidelines.
- Do not throw the product in regular household waste. Check for any specific disposal instructions for metal components.
