

Rifle Accessories - Hawkins M5 Detachable Bottom Metal Rifle Remington 700 DBM LA 3.725" Aluminum

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Function: Converts a rifle's floorplate configuration to accept detachable AICS-style magazines for faster reloading and improved feeding reliability.

Footprint: Cut to standard M5 inlet dimensions, making it directly compatible with stocks and chassis setups inletted for M5 bottom metal (including relevant WOOX precision stocks).

Construction: CNC-machined from heavy-duty aircraft-grade aluminum, offering high rigidity without adding unnecessary weight.

Magazine Release: Features an ergonomic, low-profile lever inside or adjacent to the trigger guard to prevent accidental magazine snags while maintaining easy ambidextrous operation.

Compatibility: Typically designed for Remington 700 footprint actions (short or long action depending on the chosen variant) using standard AICS pattern magazines.

WOOX Rifle Accessories Hawkins M5 Detachable Bottom Metal Rifle Remington 700 DBM LA 3.725" Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Rifle Accessories Hawkins M5 Detachable Bottom Metal. This product is designed to enhance the performance of your Remington 700 rifle by allowing the use of detachable AICSstyle magazines. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle firearms with care and follow all local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any defects or malfunctions, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Before installation, ensure that your firearm is unloaded and pointed in a safe direction.
- Use only compatible AICSstyle magazines as specified in the product description.
- Do not attempt to modify the product or your firearm in any way that is not recommended by the manufacturer.
- Ensure that the magazine release lever is functioning properly before use.
- Be aware of the potential for accidental discharge when handling firearms.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure your firearm is unloaded and in a safe environment.
- Gather necessary tools (if applicable) for installation.

2. Remove Existing Bottom Metal:

- Carefully remove the existing bottom metal from your Remington 700 rifle.
- Follow the manufacturer's instructions for disassembly.

3. Install WOOX Hawkins M5 Detachable Bottom Metal:

- Align the new bottom metal with the M5 inlet dimensions of your stock or chassis.
- Securely attach the bottom metal using the appropriate screws (provided with the product).
- Ensure all screws are tightened to prevent movement during use.

4. Test Fit:

- Insert a compatible AICSstyle magazine to ensure proper fit and function.
- Check the magazine release lever for smooth operation.

Usage

- Load the AICSstyle magazine according to the manufacturer's guidelines.
- Insert the magazine into the bottom metal until you hear a click, indicating it is securely in place.
- To release the magazine, press the ergonomic lever located inside or adjacent to the trigger guard.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal recycling.
- Ensure all components are removed from your firearm before disposal.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the WOOX Rifle Accessories Hawkins M5 Detachable Bottom Metal, please refer to the manufacturer's website or contact your local dealer for assistance.
