

Rifle Accessories - WOOX Fixed Recoil Pad Rifle accessory

Function: Designed to maximize recoil reduction and shooter comfort, significantly absorbing impact for better follow-through and faster follow-up shots.

Material and Construction: Made from high-density, shock-absorbing rubber/elastomer material that resists hardening, cracking, or slipping against clothing under various weather conditions.

Ergonomics and Profile: Shaped with a contoured heel and toe to facilitate quick, snag-free shoulder transitions while providing maximum surface contact against the shoulder pocket.

Compatibility: Engineered to fit WOOX modular stock and chassis systems (such as the Wild Man, Exactus, Furiosa, and Cobra platforms) as a direct replacement or upgraded recoil management solution.

WOOX Fixed Recoil Pad Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Fixed Recoil Pad. This product is designed to enhance shooter comfort and reduce recoil impact. To ensure safe and effective use, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that the WOOX Fixed Recoil Pad is compatible with your rifle model before installation.
- Always inspect the recoil pad for any signs of damage or wear before each use.
- Keep the recoil pad out of reach of children and pets when not in use.
- Use the recoil pad only for its intended purpose as described in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- When using the recoil pad, ensure that it is securely attached to the rifle to avoid accidents.
- Avoid using the rifle in wet or slippery conditions without proper precautions, as this may affect handling.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the recoil pad or use it in a manner not specified by the manufacturer.

Instructions for Installation and Usage

Installation

1. **Remove the Existing Pad:** If your rifle has an existing recoil pad, carefully remove it according to the manufacturer's instructions.
2. **Clean the Stock:** Ensure that the area where the recoil pad will be attached is clean and free from debris.
3. **Align the Recoil Pad:** Position the WOOX Fixed Recoil Pad against the rifle stock, ensuring that it aligns correctly with the mounting holes.
4. **Secure the Pad:** Use the appropriate screws or fasteners to securely attach the recoil pad to the stock. Ensure it is firmly in place without any gaps.
5. **Check Stability:** After installation, gently pull on the recoil pad to ensure it is securely attached.

Usage

- When shouldering the rifle, ensure that the recoil pad makes full contact with your shoulder for optimal comfort and recoil absorption.
- Practice proper shooting stance and technique to maximize the effectiveness of the recoil pad.
- After use, clean the recoil pad with a damp cloth to remove any residue or dirt.

Disposal Instructions

- Dispose of the WOOX Fixed Recoil Pad in accordance with local regulations.
- Do not incinerate the recoil pad, as it may release harmful substances when burned.
- If the recoil pad is damaged beyond repair, consider recycling it if possible.
