WOOX Bad Boy Leather Sheath Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Bad Boy Leather Sheath. This product is designed to provide a secure and durable storage solution for your drop point knife. To ensure your safety and the longevity of the sheath, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the sheath is clean and dry before storing your knife.
- Keep the sheath and knife out of reach of children and vulnerable individuals.
- Inspect the sheath regularly for signs of wear or damage.
- Do not use the sheath for any purpose other than intended knife storage.
- Always handle knives with care to avoid accidental cuts or injuries.

Specific Safety Precautions for Use

- When inserting or removing the knife from the sheath, do so in a controlled manner to prevent accidental injury.
- Ensure that the snapbutton strap is securely fastened when the knife is stored in the sheath.
- Avoid exposing the leather sheath to extreme weather conditions, such as heavy rain or direct sunlight for prolonged periods, as this may damage the material.
- Do not overload the sheath with additional items, as this may compromise its structural integrity.

Instructions for Installation and Usage

1. Inserting the Knife:

- Hold the sheath in one hand and the knife in the other.
- Carefully slide the blade into the sheath, ensuring it is guided along the interior without forcing it.
- Once fully inserted, secure the knife in place by fastening the snapbutton strap.

2. Removing the Knife:

- Unfasten the snapbutton strap before attempting to remove the knife.
- Grasp the handle of the knife firmly and pull it straight out of the sheath.
- Avoid twisting or jerking the knife, as this may cause injury or damage.

3. Carrying the Sheath:

- Use the builtin belt loop to attach the sheath securely to your belt.
- Ensure that the sheath is positioned in a way that allows for easy access while preventing accidental contact with the blade.

Disposal Instructions

- When the sheath is no longer in use or has reached the end of its life, dispose of it responsibly.
- Leather products can be recycled; check with local recycling services for appropriate disposal methods.
- Ensure that any knives are removed from the sheath before disposal to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the WOOX Bad Boy Leather Sheath, please refer to the contact information provided on the packaging or visit the official WOOX website for assistance.

Thank you for following these safety guidelines. Enjoy using your WOOX Bad Boy Leather Sheath responsibly!
