WOOX Bad Boy Leather Sheath Safety Instructions

Introduction

Thank you for choosing the WOOX Bad Boy Leather Sheath for your Tanto knife. This product is designed to provide a durable and secure carrying solution for your knife. Please read and follow these safety instructions carefully to ensure safe use and proper maintenance of the sheath.

General Safety Guidelines

- Always ensure that the knife is securely locked in the sheath before carrying.
- Inspect the sheath regularly for any signs of wear or damage.
- Keep the sheath away from moisture and extreme temperatures to maintain its integrity.
- Store the sheath in a safe place, out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the snapbutton strap is fully engaged to prevent the knife from slipping out.
- Avoid using the sheath in environments where it may be exposed to extreme physical stress or hazardous conditions.
- Do not use the sheath for any other purpose than carrying the WOOX Bad Boy knife.
- If the sheath becomes damaged, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Attaching the Sheath to Your Belt:

- Locate the builtin belt loop on the back of the sheath.
- Slide your belt through the loop until it is securely positioned.

2. Securing the Knife:

- Place the knife into the sheath, ensuring it fits snugly.
- Press down until the knife is fully seated in the sheath.
- Fasten the snapbutton strap over the handle of the knife to secure it in place.

3. Removing the Knife:

- To remove the knife, unsnap the strap and gently pull the knife out of the sheath.
- Always point the blade away from yourself and others when removing the knife.

Disposal Instructions

- Dispose of the sheath responsibly. If the sheath is no longer usable, consider recycling it if possible.
- Follow local regulations for the disposal of leather products.
