WOOX Blades Accessories Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Volante / Thunderbird Blade Sheath Axe accessory. This guide provides essential safety instructions to ensure the safe and effective use of your axe sheath. Please read this guide carefully before use to familiarize yourself with safety precautions and proper handling.

General Safety Guidelines

- Always inspect the sheath for any signs of damage before use. Do not use if damaged.
- Keep the sheath away from children and vulnerable individuals to prevent accidents.
- Ensure the axe is secured in the sheath before carrying or storing.
- Do not use the sheath for purposes other than intended.
- Report any unsafe conditions or accidents to relevant authorities immediately.

Specific Safety Precautions for Use

- Handle the axe and sheath with care to avoid cuts or injuries.
- Ensure that the snapbutton closures are securely fastened before carrying.
- Avoid exposing the sheath to extreme temperatures or harsh weather conditions for prolonged periods.
- Do not attempt to modify or alter the sheath in any way.
- Store the sheath in a dry place to maintain its durability and integrity.

Instructions for Installation and Usage

1. Fitting the Axe:

- Position the axe head into the sheath, ensuring it fits snugly against the contours designed for the Volante and Thunderbird models.
- Check that the axe blade is fully enclosed within the sheath to prevent accidental contact.

2. Securing the Sheath:

- Fasten the snapbutton closures firmly to lock the axe in place.
- Verify that the closures are engaged and the sheath is secure before carrying.

3. Carrying the Sheath:

- Always carry the sheath with the axe blade facing downwards to prevent injury.
- Use the sheath as intended; do not carry other items in the sheath.

4. Storing the Sheath:

- Store the sheath in a cool, dry location away from direct sunlight.
- Regularly check the condition of the leather and clean it with a damp cloth if necessary.

Disposal Instructions

- When disposing of the sheath, ensure that it is no longer usable and cannot pose a safety risk to others.
- Dispose of the sheath according to local regulations for leather products.
- Consider recycling options where available to minimize environmental impact.
