

ALPHA GLOCK TRIGGERS (Pull weight 3lb) - GLOCK GEN 3/4, LARGE FRAME (10mm & 45ACP), BLACK SAFETY BLADE & SEAR **3lb**

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

The Timney Alpha Competition Series is designed to transform your large-frame Glock into a match-ready competition firearm. By re-engineering the internal geometry while utilizing stock Glock components, Timney achieves a remarkably light, crisp 3-pound pull without altering or compromising legendary Glock reliability.

Crisp 3-lb. Factory Pull Weight: Delivers a light, smooth, and clean break with an ultra-fast reset to significantly improve speed and shot-to-shot accuracy.

Premium Surface Finish: Features a nickel-Teflon coated sear and trigger bar to ensure friction-free action and maximum corrosion resistance.

Retains OEM Reliability: Designed to work seamlessly with stock Glock internal springs and parts—maintaining full striker safety function.

Safety Shoe Options: Available with an Internal Pivoting Safety (hinged, blade-free design) or an External Safety Blade.

Wide Variety of Colors: Offered in multiple trigger shoe finishes (including Black, Blackout, Timney Gold, Red, Bronze, Silver, Orange, Purple, and Green).

Easy Drop-In Installation: Completely self-contained system; installs quickly without requiring gunsmithing or permanent slide/frame modifications.

Safety Instruction Guide for ALPHA GLOCK TRIGGERS

Introduction

Thank you for choosing the ALPHA GLOCK TRIGGERS. This product is designed to enhance your shooting experience by providing a light, crisp pull weight of 3 pounds. This guide outlines essential safety instructions to ensure proper use and installation of the trigger, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store the trigger and firearm securely, away from children and unauthorized users.
- Familiarize yourself with the specific features and operation of your Glock model.
- Regularly inspect your trigger and firearm for signs of wear or damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the trigger is compatible with your specific Glock model (GEN 3/4, LARGE FRAME).
- Only use the trigger with stock Glock internal springs and parts to maintain reliability.
- Do not attempt to modify the trigger or any of its components.
- Always wear appropriate eye and ear protection when handling or shooting your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not use the trigger if you notice any defects or irregularities.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and the magazine is removed.
2. **Disassembly:** Follow the manufacturer's instructions to disassemble your Glock.
3. **Remove Old Trigger:** Carefully remove the existing trigger and components.
4. **Install New Trigger:**
 - Place the ALPHA GLOCK TRIGGER into the trigger housing.
 - Ensure that the trigger bar is properly aligned.
5. **Reassemble Firearm:** Follow the manufacturer's guidelines to reassemble your Glock.
6. **Function Check:** After installation, perform a function check to ensure the trigger operates correctly.
 - Pull the trigger to confirm the reset and break.
 - Ensure the safety features are functioning as intended.

Usage

- Always follow safe handling practices as outlined in the General Safety Guidelines.
- Test the trigger in a controlled environment before using it in a live shooting scenario.
- Monitor your shooting performance and adjust your technique as needed to accommodate the new trigger pull weight.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding your ALPHA GLOCK TRIGGERS, please reach out to the manufacturer or consult your local firearms expert.

Thank you for prioritizing safety and compliance while using the ALPHA GLOCK TRIGGERS. Enjoy your enhanced shooting experience responsibly!
