

Lever Action Triggers (Pull weight is not adjustable) - LEVER ACTION FOR HENRY RIMFIRE MODELS, STRAIGHT **2.5-3lb**

Designed to preserve the timeless feel of the historic Henry platform while removing the heavy, creep-laden pull of the stock trigger, the Timney Lever Action Trigger elevates your favorite rimfire rifle to a whole new level of accuracy. Whether you're a weekend plinker, small game hunter, or classic lever-gun collector, this single-stage upgrade delivers an incredibly crisp, glass-like break with zero slop.

Factory calibrated to a lightweight 2.5 to 3 lb. pull weight, this non-adjustable drop-in unit eliminates the guesswork and gives you consistent, repeatable performance right out of the box.

Clean Single-Stage Break: Preset at a crisp 2.5–3 lbs., providing instant, control-focused actuation to shrink your group sizes downrange.

Shoe Options for Personal Feel: Available in a classic Curved profile or a modern Straight shoe, allowing you to tailor the ergonomics to your preferred finger placement.

No-Gunsmithing Installation: Engineered as a complete, self-contained drop-in module that easily replaces the factory assembly in minutes using basic hand tools.

Hand-Calibrated Reliability: Each trigger is individually hand-assembled, tested, and calibrated in the USA to handle thousands of rounds of rimfire cycling.

American Craftsmanship: Machined from high-grade materials in Phoenix, Arizona, and backed by Timney's No-Hassle Legendary Lifetime Warranty.

Lever Action Triggers Safety Instruction Guide

Introduction

Thank you for choosing the Timney Lever Action Trigger for your Henry Rimfire models. This product is designed to enhance your shooting experience by providing a smooth and consistent trigger pull. To ensure safe and effective use of your new trigger, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure the firearm is pointed in a safe direction at all times.
- Be aware of your surroundings and ensure a clear shooting area.
- Always wear appropriate eye and ear protection when shooting.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.

Specific Safety Precautions for Use

- Only use the Timney Lever Action Trigger with compatible Henry Rimfire models.
- Do not attempt to adjust the pull weight, as it is factory calibrated and nonadjustable.
- Ensure that the trigger is installed correctly before using the firearm.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.
- Keep all parts of the firearm clean and free from debris to ensure proper function.
- Be mindful of the trigger's sensitivity; accidental discharge can occur if not handled properly.

Instructions for Installation and Usage

Installation

1. **Safety First:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Gather Tools:** You will need basic hand tools to complete the installation.
3. **Remove Factory Assembly:**
 - Disassemble the firearm according to the manufacturer's instructions.
 - Carefully remove the factory trigger assembly.
4. **Install the Timney Trigger:**
 - Position the Timney Lever Action Trigger in the trigger housing.
 - Ensure it is seated properly and aligned with the firearm's mechanism.
5. **Reassemble the Firearm:**
 - Follow the manufacturer's instructions to reassemble the firearm.
 - Doublecheck that all components are secured and functioning correctly.
6. **Function Test:** Before live firing, perform a function test to ensure the trigger operates smoothly.

Usage

- Always follow safe shooting practices.
- Familiarize yourself with the trigger's operation before engaging in live fire.
- Regularly practice safe handling and shooting techniques.

Disposal Instructions

- Dispose of the product in accordance with local regulations.

- Do not discard in regular household waste.
- If the product is damaged or no longer in use, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please reach out to the appropriate support channels. Ensure that you have the product details and any relevant information ready to facilitate assistance.

Conclusion

Your safety and enjoyment are our top priorities. By following these guidelines, you can ensure a safe and rewarding experience with your new Timney Lever Action Trigger. Always remember to prioritize safety and responsible firearm handling.
