

SuperLeggera Stock - SUPERLEGGERA Precision Stock - Walnut - Sauer 100 - Adjustable

The WOOX Superleggera (Italian for "super light") is designed specifically for hunters and shooters who demand a rifle stock that is exceptionally light for long treks and off-hand shooting, without sacrificing the rigid performance of a chassis system. It is the lightest stock in the WOOX lineup, optimized for weight reduction while retaining the premium look of American Walnut.

Ultra-Lightweight Profile: Engineered to shed as much weight as possible, making it the ideal choice for mountain hunting or situations where every ounce counts.

Hybrid Construction: Maintains the classic WOOX signature—a premium, hand-oiled American Walnut exterior fused with a lightweight aluminum skeleton for structural integrity.

Streamlined Ergonomics: The design is stripped down to essentials, focusing on a comfortable, natural carry while maintaining the stability needed for precision shots.

Drop-In Ready: Like other WOOX stocks, the Superleggera is designed as a drop-in component, requiring no custom bedding or gunsmithing.

WOOX SuperLeggera Stock Safety Instruction Guide

Introduction

Thank you for choosing the WOOX SuperLeggera Precision Stock. This guide provides important safety information and instructions to ensure the safe use and maintenance of your rifle stock. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all components of your rifle are compatible with the WOOX SuperLeggera Stock.
- Always handle firearms with care and follow all safety protocols.
- Keep the stock and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear. If any issues are found, do not use the stock until it has been inspected by a qualified gunsmith.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Weight Considerations:** The SuperLeggera stock is designed for lightweight performance. Ensure that your firearm is balanced and comfortable to handle when using this stock.
- **Ergonomics:** Familiarize yourself with the stock's ergonomics to ensure proper grip and handling. This will enhance your control and stability during shooting.
- **Shooting Position:** Always adopt a stable shooting position to maximize accuracy and minimize recoil impact.
- **Environmental Awareness:** Be aware of your surroundings when hunting or shooting. Always ensure that your backstop is safe and that there are no people or animals in the line of fire.
- **Maintenance:** Regularly clean and maintain the stock to prevent any deterioration in performance or safety.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and safe before beginning installation.
- Remove any existing stock from the firearm according to the manufacturer's instructions.
- Align the WOOX SuperLeggera Stock with the firearm's receiver.
- Securely attach the stock using the appropriate screws and tools. Ensure that all connections are tight and secure.
- Check that the stock is properly seated against the receiver.

2. Usage:

- Before using the stock, ensure that it is properly installed and that all components are functioning correctly.
- When ready to shoot, check the firearm's safety mechanism and ensure it is in the "safe" position until you are prepared to fire.
- Maintain a proper grip on the stock while aiming and shooting to ensure control and precision.
- After use, clean the stock and firearm according to the manufacturer's recommendations.

Disposal Instructions

- When disposing of the WOOX SuperLeggera Stock, follow local regulations regarding the disposal of firearm components.
- If the stock is damaged beyond repair, consider contacting a local recycling center that accepts metal and wood materials.
- Ensure that all components are disposed of in a manner that prevents unauthorized access.
