

Exactus Precision Stock - EXACTUS Precision Stock - Tiger Wood - Tikka T3/T3x CTR

The WOOX Exactus is a hybrid precision rifle stock designed for long-range shooters and hunters who demand match-grade stability alongside the warm, organic feel of genuine hardwood. Featuring a full-length, CNC-machined aluminum sub-chassis housed within premium American Walnut, the Exactus provides a rock-solid, weather-resistant bedding platform. It bridges the gap between traditional hunting stocks and high-end tactical chassis, delivering superior accuracy without sacrificing classic style.

Built on a rigid AA 7075 aluminum mini-chassis with hard-coat anodizing. The solid aluminum-to-receiver interface ensures repeatable accuracy and eliminates zero shifts caused by humidity or thermal expansion.

Micro-Adjustable Cheek Riser: Allows seamless height adjustments so you can achieve perfect eye alignment with high-magnification optics.

Adjustable Length of Pull (LOP): Tailor the stock fit to your build or clothing layers using a quick and precise adjustment mechanism.

M-LOK® Forend Rail: Integrated M-LOK® slots along the forend allow effortless mounting of bipods, tripods, or rail sections.

Sling Support: Equipped with integrated QD (Quick Detach) sling swivel sockets for quick and secure sling mounting.

WOOX Exactus Precision Stock Safety Instructions

Introduction

Thank you for choosing the WOOX Exactus Precision Stock. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the rifle is unloaded before handling or adjusting the stock.
- Inspect the stock for any damage or defects before use. Do not use if damaged.
- Store the stock in a dry, cool place to prevent moisture damage to the wood and aluminum components.
- Keep the stock out of reach of children and unauthorized users.
- Follow all applicable laws and regulations regarding firearm safety and usage in your area.
- Be aware of your surroundings when using your rifle equipped with the Exactus Precision Stock.

Specific Safety Precautions for Use

- **MicroAdjustable Cheek Riser:**
 - Ensure the cheek riser is securely adjusted before use. Improper adjustments may lead to misalignment and affect accuracy.
- **Adjustable Length of Pull (LOP):**
 - Adjust the LOP to fit your body size and clothing layers. Ensure the adjustment mechanism is locked after setting the desired length.
- **MLOK® Forend Rail:**
 - Only use compatible accessories with the MLOK® slots. Improper accessories may compromise the stability and safety of the stock.
- **Sling Support:**
 - Ensure that the sling is securely attached to the QD sockets. Regularly check for wear and tear to prevent accidental detachment.

Instructions for Installation and Usage

1. Installation:

- Carefully follow the manufacturer's instructions for attaching the stock to your Tikka T3/T3x rifle.
- Ensure that all screws and fittings are tightened securely to prevent any movement during use.
- Verify that the stock is properly aligned with the receiver before use.

2. Adjustment:

- To adjust the MicroAdjustable Cheek Riser:
 - Loosen the adjustment screw, set the desired height, and tighten the screw securely.
- To adjust the Length of Pull (LOP):
 - Locate the adjustment mechanism, adjust to the desired length, and ensure it is locked in place.

3. Usage:

- Always maintain a proper shooting stance to ensure stability while using the rifle.
- Regularly check the stock and its components for any signs of wear or damage during use.

Disposal Instructions

- Dispose of the WOOX Exactus Precision Stock according to local regulations.
- If the stock is damaged beyond repair, consider recycling the aluminum components and disposing of the wood responsibly.
