

Rifle Accessories - M-LOK Cartridge Quiver - Six Rounds - .357

Function: Holds 2 extra rifle cartridges directly on the side of your stock or handguard for quick single-card or emergency reloads without breaking your cheek weld or sight line.

Mounting Interface: Attaches to any standard M-LOK slot, making it versatile for placement on fore-ends, handguards, or chassis sides.

Construction: CNC-machined from lightweight aircraft-grade aluminum, offering rugged durability and precise cartridge tension.

Tension and Retention: Features integrated rubber or polymer inserts/O-rings inside the loops to firmly retain cartridges during movement while allowing smooth, low-effort extraction.

Compatibility: Available in specific caliber groupings (such as standard, magnum, or short-action rifle cartridges) to ensure proper friction fit across common precision and hunting calibers.

WOOX Rifle Accessories MLOK Cartridge Quiver

Six Rounds .357 Safety Instruction Guide

Introduction

Thank you for choosing the WOOX Rifle Accessories MLOK Cartridge Quiver. This product is designed to enhance your shooting experience by providing a convenient and secure way to carry extra rifle cartridges. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this instruction guide.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or removing the cartridge quiver.
- Do not exceed the recommended capacity of six cartridges to prevent overloading and potential malfunction.
- Keep the cartridge quiver out of reach of children and unauthorized users.
- Regularly inspect the cartridge quiver for signs of wear or damage. Replace it if any issues are detected.
- Avoid using the cartridge quiver in wet or excessively humid conditions, as this may affect the retention of cartridges.
- Use only cartridges that are compatible with the quiver to ensure proper fit and function.

Specific Safety Precautions for Use

- Ensure that the cartridges are securely seated in the quiver before handling the firearm.
- When in use, maintain a proper grip on the firearm and avoid distractions that may lead to accidents.
- Be mindful of your surroundings and ensure that no one is in the line of fire when accessing cartridges from the quiver.
- If you experience any difficulty in extracting cartridges, do not force them; instead, check for obstructions or misalignment.
- Always follow local laws and regulations regarding the transportation and use of firearms and ammunition.

Instructions for Installation and Usage

Installation

1. **Identify MLOK Slot:** Locate a standard MLOK slot on your rifle's handguard or stock.
2. **Align Quiver:** Position the cartridge quiver over the MLOK slot, ensuring that the mounting interface aligns with the slot.
3. **Secure Attachment:** Use the provided screws to securely attach the quiver to the MLOK slot. Ensure that it is tightened adequately to prevent movement during use.
4. **Check Stability:** After installation, gently pull on the quiver to ensure it is securely mounted.

Usage

- **Loading Cartridges:** Insert cartridges into the loops of the quiver. Ensure that they are seated firmly and that the integrated rubber or polymer inserts/Orings are providing adequate tension.
- **Accessing Cartridges:** When you need to access a cartridge, grip the quiver firmly and gently pull the cartridge out. Avoid jerking motions to ensure smooth extraction.
- **Maintaining Position:** When using the firearm, ensure that your cheek weld and sight line are not obstructed by the quiver.

Disposal Instructions

- Dispose of the cartridge quiver in accordance with local regulations regarding aluminum recycling.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential hazards to the environment or public safety.
